

일시 2017년 7월 7일(금), 13:00 ~ 18:30  
 장소 인터컨티넨탈 서울 코엑스(지하1층), Moderato Hall

# the Steroid Today 2017

● Scientific Program

13:00 ~13:20	Registration
13:20 ~ 13:30	Opening Remarks
13:30~ 13:40	Congress on Steroid Research 2018 <b>Dr. Man Ho Choi</b> ; Molecular Recognition Research Center/KIST
13:40 ~ 14:20	Visualization of aldosterone on adrenal frozen sections <b>Prof. Yuki Sugiura</b> ; Dept. of Biochemistry/Keio University School of Medicine
14:20~ 14:50	How is a reserve pool of adult muscle stem cells established at puberty? <b>Dr. Ji-Hoon Kim</b> ; School of Biological Sciences/Seoul National University
14:50 ~ 15:30	Steroid Today Happy Hour
15:30 ~ 16:00	Altered steroid profiling in Cushing's syndrome <b>Prof. Jung Hee Kim</b> ; Dept. of Endocrinology/Seoul National University
16:00~ 16:30	Mitochondrial redox metabolism and steroidogenesis <b>Prof. Jinhyup Lee</b> ; Dept. of Food and Biotechnology/Korea University
16:30~ 17:00	Localized expression of cholesterol metabolic enzymes in breast cancer <b>Dr. Man Ho Choi</b> ; Molecular Recognition Research Center/KIST
17:00~17:20	Coffee Break
17:20~ 17:50	Sitosterolemia: a review and update of clinical practice in Korea <b>Prof. Eun-GyongYoo</b> ; Dept. of Pediatrics/CHA University
17:50~ 18:20	Insulin regulates adrenal steroidogenesis by stabilizing SF-1 activity <b>Prof. Ki Woo Kim</b> ; Dept. of Pharmacology/Yonsei University Wonju College of Medicine
18:20 ~ 18:30	Closing Remarks
18:30 ~ 20:00	Banquet Dinner
